2012 Seasonal Position Announcement

CREW MEMBER POSITIONS
ROVING BACKCOUNTRY TRAIL CREW
3 positions available

The Colorado Fourteeners Initiative (CFI) is a nonprofit organization working to protect and preserve the natural integrity of Colorado’s 14,000-foot peaks through active stewardship and public education. [www.14ers.org](http://www.14ers.org)

Come work on Colorado’s highest peaks! CFI seeks to hire three crew member positions to implement CFI’s trail maintenance and restoration projects on Colorado’s 14,000-foot peaks (Fourteeners). This is an engaging yet challenging position based out of Colorado’s rugged backcountry. This position requires a strong conservation ethic, excellent team skills, and a desire to work in a challenging yet beautiful backcountry setting. Come and join CFI this summer!

PROGRAM AND POSITION INFORMATION
Roving Backcountry Trail Crew – These positions will be part of a 4-person crew and will work to implement several trail maintenance projects on Fourteeners in the Colorado Rocky Mountains under the supervision of a crew leader. The crew will be based out of Leadville, CO, and will spend 1-2 weeks each at several project locations. The crew will camp at all project locations. Positions start in late May or early June and run through late September.

POSITION DUTIES

Roles and Responsibilities

- Implement trail maintenance and restoration projects at high altitude (11-14,000+ feet); extensive rock work and restoration work including rock steps and walls, alpine tundra stabilization, and re-vegetation.
- Work projects require hiking 2-7 miles per day at altitude, using heavy hand tools, and working and contributing as part of a team.
- Educate self (and volunteers as applicable) in alpine ecology and Leave No Trace principles.
- Basecamp duties, meal prep, tool/equipment maintenance, public interaction.
- Occasionally lead volunteer groups during CFI volunteer projects, ensuring a safe, quality, and productive experience.
- Support the crew supervisor as needed with project planning and logistics: (travel planning, tool preparation, lining out project work sections, health & safety, interaction with the public, and project reporting).
- Other tasks as assigned to contribute to the overall implementation and operations of CFI’s projects.

DESIRED QUALIFICATIONS

- Trailwork experience – maintaining and/or constructing natural-surface trails. Minimum 1-2 seasons of trailwork experience preferred. Rockwork (steps, walls, etc.) experience desirable.
- Excellent physical condition.
- Positive, professional attitude.
- Strong interpersonal and communication skills in a group setting.
- Passion about the outdoors and a strong conservation ethic.
- Willingness and ability to live and perform strenuous work at high altitude in a backcountry environment for up to 10 days at a time.
- Proficient in travelling and living in mountain backcountry environments and in outdoor skills (i.e. backpacking, camping, hiking).
- Ability to lead volunteers on trail project work.
- Strong written and verbal communication skills.
- Pro-active in establishing and completing goals, and attention to detail.

Other desirable qualifications include:

- Education or background in Natural Resource Management, Forestry, Ecology, or related field.
- Strong rock work experience (stairs, retaining walls, check dams, etc) as pertaining to natural surface trails.
• Demonstrated leadership, motivational, and interpersonal skills applicable to an outdoor setting.
• Experience working for or with the US Forest Service.
• Familiarity with the alpine environment and ecology.
• Ecological restoration experience.
